Get the free Daily Team To-do list [here](#) to take your team to the next level!

The screenshot shows a webpage for 'Hishun Consulting' with the title 'Scrum To-do List'. A red arrow points from the text 'Grab it now!' to the page content. The page lists several tasks for a Scrum team, including updating the product backlog, prioritizing items, and holding daily stand-ups. On the right side, there are two promotional banners: one for a '10 Minute Meeting' and another for a 'FREE Ebook' titled 'Scrum To-do List'.

Grab it now !

Scrum To-do List

- 1. Update list of requirements from daily scrum, emails and other sources
- 2. Prioritize your requirements about
- 3. Write the sprint report for the previous sprint
- 4. Hold up the information holding an sprint backlog (eg. Work partly completed and done)
- 5. Hold team meetings and hold stand-up daily to track work
- 6. Arrange meetings and have them to coach any new or newly team members, product owners or stakeholders

NOTE: When to team how to update your team's productivity, get them solving their own issues and get them planned for the day!
